## Tour Guide Website Package

### Only TZS 175,000

#### Everything You Need to Take Your Safari Business Online

At GuavaXP, we offer a complete website solution specially designed for Tanzanian Tour Guides – professionally built, fast, and ready to attract international tourists.

#### Here's what you get for just TZS 175,000:

##### ✓ Website Design

Your website will have a beautiful, responsive design exactly like our demo:

[www.tour.guavaxp.com](http://www.tour.guavaxp.com)

##### ✓ 2 Business Emails

Present a professional image with two custom email addresses (e.g., [info@yourcompany.com](mailto:info@yourcompany.com)).

##### ✓ Annual Website Hosting

Reliable and secure hosting included – no cPanel access provided, so you can focus on your business while we manage the technical side.

##### ✓ Content Management System (CMS)

Easily update your content whenever you want – add tours, change information, and more.

##### ✓ Domain Registration

We register your domain for you!  
(Domain price must not exceed TZS 25,000. For premium domains, extra charges will apply.)

##### ✓ Free SSL Certificate

Your site will be secure and trusted by visitors with a free SSL certificate (HTTPS).

##### ✓ Language Translate Feature

Reach a wider audience with automatic translation into multiple languages.

##### ✓ WhatsApp Chat Button

Let visitors message you instantly from your website, boosting direct communication and bookings.

##### ✓ Up to 15 Pages Included

Your package covers up to 15 custom pages – perfect for your tours, about us, gallery, contact, and more.

##### 🔧 Need More Pages?

Additional pages can be added at a small extra cost.
